Nickolas Campbell

based on J. Wesley's sermon "The Wilderness State"

LYNE Magdalen Hymns 1760

It is sin which brings dark - ness near.  
It is sin which sinks us to death.  
For our sins He died on the cross.  
We shall live in the Light Di - vine!

Done and un - done, faith be - comes dear.  
Done and un - done, los - ing God's breath.  
Done and un - done, Christ paid the cost.  
Done and un - done, Christ will now shine

Love can be lost, and joy can be dimmed,  
Peace be - comes doubt, and pow - er is drained,  
There is true Light that ov - er - comes sin.  
through ev - 'ry thought, and ac - tion, and word.

when we ne - glect all the means to find Him!  
when we are wand - 'ring in wil - der - ness plains.  
It shines when Jes - us is ev - er asked in.  
Dark - ness is chased by God's king - dom on earth!
